MISSION
To engage our community in thinking about how science impacts their daily lives, informs policy, and can be used to address societal challenges.

BENEFITS
- Hone communication and organizational skills
- Collaborate in interdisciplinary teams
- Strengthen future career and/or award applications
- Demonstrate the “broader impact” of your research to community and policy makers

OBJECTIVES
- Understand various modes of science communication
- Publish collaborative and individual works that communicate science to non-scientists
- Design and implement science outreach projects

REQUIREMENTS
- Freshman, sophomore, or junior standing with one semester of research experience
- GPA > 3.0
- Interest in communicating science in the public sphere

To apply, visit our website - latham.uiowa.edu by May 15th!

The Latham Fellowship is a one-year opportunity funded by the generous donation of Robert and Susan Latham of Cedar Rapids, IA. Their gift to The University of Iowa College of Liberal Arts and Sciences (CLAS) will fund students to boldly go where no student has gone before.
